**Advertisement for the post of Senior Research Fellow & Research Assistant
under India-Israel Joint Research Programme (4th Cycle)**

F.No.TU/FIN/358/(P)/2018-19

Date: 10/09/2018

Applications are invited for the post of two Senior Research Fellows (SRF) and two Research Assistants (RA) under the joint bilateral project entitled **“What role do tropical thunderstorms play in driving the upper tropospheric water vapour feedback?”** under India-Israel Joint Research Programme (4th Cycle), funded jointly by **Israel Science Foundation (ISF), Israel and University Grants Commission (UGC), Government of India**, Principal Investigator: Dr. Anirban Guha, Department of Physics, Tripura University. The posts are purely temporary with a monthly fellowship of Rs. 28,000/- + admissible HRA for SRF and Rs. 16,000/- + admissible HRA for RA for a tenure of one year initially, subject to availability of fund from the funding agency and also based on the performance of the SRF and RA.

Minimum qualification for SRF: M.Sc. in Physics OR Atmospheric Science with at least 55% marks and one publication in a peer-reviewed journal. The applicant should have at least two years of post-M.Sc. research experience with documentary evidence.

Minimum qualification for RA: M.Sc. in Physics OR Atmospheric Science with at least 55% marks.

Interested candidates are requested to send their complete bio-data furnishing all educational qualifications and experience with a recent scanned colour photograph in MS-Word format via email to anirbanguha@tripurauniv.in within 15 days of publication of this advertisement. The date and time of the interview shall be intimated only to the shortlisted candidates via email.
