(10.1.12)*

It is observed that a large number of fake boards are operating in various parts of the country. A large number of representations and RTI applications are also received in Ministry of Human Resource Development, seeking information/clarification whether a particular board is fake board or the certificates issued by the particular board are recognized for entry into Government service. Such type of applications are forwarded to Council of Boards of School Education in India (COBSE) for furnishing the information to the applicant directly. This issue has also been raised in Parliament by means of Parliament Questions.

2. All States/UTs are requested to take suitable action against fake boards operating in their State/UT so that the career of the students are not spoiled. A list of fake boards may also be sent to COBSE, 6H Bigjo's Tower, Netaji Subash Place, Ring Road, Pitampura, Delhi-110034 which maintains such information and can upload this information on its website. Wide publicity may also be given to make the public aware about the fake boards operating in various parts of the respective State/UT.

Yours faithfully,
