

Online Lecture Series on Different Aspects of Life Sciences

Topic: Cryoelectron Microscopy: A Cutting-Edge Technology for 3D Structural Determination of Biomolecules

Organized by: Department of Microbiology, Tripura University

Speaker: Prof. (Dr.) Prashant S. Kharkar

M.Pharma.Sci., Ph.D.(Tech.)

Institute of Chemical Technology(ICT), Mumbai

Time & Date: 11:00 A.M. (IST) on Friday, 8th October 2021.
