ABOUT MMTTC, TU

Tripura University established a Faculty Development Centre (FDC-TU) under the scheme of *Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT)* in December 2014. The FDC-TU recognizes that the inculcation of both academic and professional skills is essential for any employee at the beginning of their career. Without these skills, institutional efficiency and proper work ethics cannot be effectively developed in any establishment.

The Center has conducted numerous programs addressing these areas, and the outcomes of all previous programs have been excellent. This center has been renamed to Malaviya Mission Teacher Training Center, Tripura University (MMTTC-TU) under the MMTP of the UGC.

Currently, the Centre is engaged in training faculty of Higher Education Institutions to build competencies in teaching, learning, research and professional development. The objective is to update their knowledge and skills to provide more effective teaching and to align their approach with the societal needs outlined in NEP 2020 within the framework of Indian values and value system.
