Brief about the Revised Syllabus

The Department of Geography & Disaster Management, since its inception in 2004, started M.A./M.Sc. programme and the Ph.D programme was offered from the year 2008. The department had revised its syllabi from time to time to keep pace with the latest trend in the field of Geography & Disaster Management. In fact, the present revision of the syllabi is an attempt to reflect the objective of the CBCS system. Prominent features of the Revised Syllabi are as follows:

1. The M.A./M.Sc. programme in Geography & Disaster Management is of 86 Credits (2000 marks), including Theory Papers, Practicals, Study Tour and Dissertation.
2. The entire credits are spread over in four semesters.
3. Credit distribution of the courses ranges from 4 to 6 credit.
4. Core courses are compulsory.
5. Students will choose one elective course in each semester out of 3/2 course.
6. Students will choose one elective course (04 credit) from other departments which is mandatory in 2nd Semester.
7. CSK-II is compulsory in 1st Semester.
8. Field study tour will be conducted for at least 2-3 weeks outside the State in the 3rd Semester.
9. Dissertation of 6 credit, related to the Special Papers is mandatory in the 4th Semester.
10. Four new courses have been introduced in the revised syllabi i.e. Remote Sensing and GIS Theory (Core), Research Methods and Techniques in Geography Theory (Core), Hazard and Disaster Management Theory (Core) and Environment and Ecosystem Theory (Elective).
11. The department will offer a few courses to the students of other departments and also an open choice to the students of Geography & Disaster Management.
12. However, the department will review, from time to time, the courses that are placed under open choice category by considering the demand of the students of the department, as well as the students from other departments.
