Hi Shaon,

Congratulations on securing the first winner spot at the regional finals of Climate Launchpad, the entrepreneurship offering of EIT Climate-KIC.

This qualifies your team to pitch in Global Grand Final of Climate Launchpad to be held in Amsterdam on 14th - 15th of November 2019. The two-day event will be packed with the global crème de la crème of green start-ups pitching, provocative keynotes and interactive masterclasses. It is one of the biggest green tech business events in the world.

Following are the benefits which you can earn from the event apart from winning the grand prize:

- a) Your network and become part of our like-minded global network of sustainability and green business experts which will indeed help you in expanding your business to other parts of the world.
- b) You will spot and scout other breakthrough green-tech innovations before they hit the market
- c) In just two days you gain new insights, opportunities on fixing climate change with thought-provoking talks by other leading green business leaders

We will soon be giving you a confirmation from the HQ in Europe to assist your visa application. Our team will soon get in touch with you to explain further steps.

We wish you a bright future in all your future endeavours!

Regards,
ClimateLaunchpad India
