TRIPURA UNIVERSITY

(A CENTRAL UNIVERSITY)

Accredited by NAAC with "B" Grade

www.tripurauniv.ac.in

Welcome to Tripura University

Tripura University, since its inception has been engaged in its pursuit of academic excellence in this remotest and landlocked part of the country. Starting from a modest P.G. Centre of Calcutta University, over the past 33 years, this institution has grown from a State University to a full-fledged Central University in 2007. While offering quality teaching and learning at the Post Graduate level, the University also encourages cutting edge research experiences in different science and technology disciplines. With Memorandum of Understandings with several National and International Institutions and numerous patents to its credit, the alumni of this University are well settled in different nooks and corners of this world. Notwithstanding its marginal location and other communicational disadvantages, this university has always tried to compete with other universities of the country in terms of academic achievement, research and innovation and placement records, which have been well reflected in its NAAC Assessments and NIRF ranking.

The Tripura University Act envisages that the objective of the University shall not be only "to disseminate and advance knowledge by providing instructional and research facilities" in the state in areas of contemporary relevance to the society and the country (with the motto "pursuit of excellence") but also to make special provisions for studies in tribal life and culture and to introduce vocational subjects with a view to provide employment opportunities to the students. The Act specifically enjoins the University to organize specialized diploma, degree and post-graduate courses in certain subjects.

The University has 46 Departments offering 58 programs to students from entire Eastern India as well as Bangladesh. Every Department has state of the art classrooms, laboratories, 24-hours internet connectivity, computer centre, library, free Wi-Fi facility across the Campus, playgrounds, open theatre, health centre, bank, Cafeteria, post office, food court, hostels, guest house etc. The teaching faculties are dynamic, caring and friendly. Academic & curricular sessions are regularly complemented with sports and other socio cultural activities like film screening, musical performances, art festivals, debates, intra-University fetes, sports tournaments, walkathons etc. Tripura University offers a vibrant campus life and one of the safest and most secure academic environment in the entire Northeast.

The Campus has a vast scenic landscape with lakes, forests, hillocks and flower and fruit gardens offering a serene and tranquil backdrop. The groves of trees, fragrance of flora, calls of flocks of birds, swarm of butterflies, reptiles etc. ease away the drudgery of academics, thereby relaxing and rejuvenating a student's mind.

This prospectus for the academic year 2020-21 provides necessary admission related information, the courses offered by the various departments along with corresponding eligibility guidelines and fee structure and a sample admission form. Tripura University wholeheartedly welcomes the young talents to be a part of its family. We build not just successful academicians, researchers, managers, professionals, bankers, but also good human beings.

Profile

Tripura University is one of the 49 Central Universities in India which has been established on 2nd July, 2007 under an Act of the Parliament to establish a teaching and affiliating university in the state of Tripura and to provide for matters connected therewith or incidental thereto. This university is the offspring of the world famous Calcutta University. Initially the University was established as a State University on 2nd October, 1987 with the enactment of the Tripura University Act in the Tripura Assembly, in deference to the long cherished aspirations of the people of the state.

Being keen votaries of academics and culture, the erstwhile kings of Tripura had always patronized education in the remote state. Therefore from 1947 onwards, many colleges were established in the state with affiliation from Calcutta University. In 1976, the University Grants Commission (UGC) formally recognized the Calcutta University Post Graduate Centre (CUPGC) which was housed at College Tilla, Agartala, and it functioned as the highest centre of learning in the state for over a decade.

In 1985, a new campus for the CUPGC was established in a green 75-acre, semi-urban setting on the National Highway at Suryamaninagar (present location of the Tripura University), about 9 kms south of the capital city Agartala with the aim of setting up a full-fledged University. The foundation-stone was laid at Suryamaninagar campus on 18th December, 1985 by Shri Dasaratha Deb, the then Deputy Chief Minister - cum - Education Minister of Tripura.

After its upgradation to a Central University in 2007, Tripura University has developed considerably and efforts were taken to strengthen the infrastructural facilities in the academic arena vis-à-vis the overall development of the University.

There are a large number of colleges affiliated to the university. The number of affiliated Colleges at present is 46 among which there are 27 General Degree Colleges, 17 Professional Colleges, 4 Paramedical and Nursing Colleges and 2 Medical Colleges.

The University at present runs various programs under Science, Arts & Commerce Faculty. A total number of 58 programmes are offered under this University, including Certificate Courses, Under Graduate, Post Graduate Diploma and other Post Graduate Programs. In addition to these, Ph.D programmes are also offered in 38 subjects.

Hostel Accommodation:

Fully computerized internet enabled hostel facilities are provided to students from outside the state/country, remote parts of the region and economically backward classes. Presently, there are two hostels for women and gents with 60 and 110 seat capacities respectively. Two more hostel buildings having separate rooms and attached bathrooms with 50 seats capacity are available for research scholars. Common Rooms with various recreational facilities and reading rooms equipped with reading materials and magazines, news papers, T.V. etc. are also available in both the hostels. The hostel mess

serves food to the boarders according to a prefixed menu determined by the boarders themselves.

Health Services:

Tripura University has its own Health Centre with two full time doctors (Male and Female), two nurses, a medical laboratory attendant and a female attendant to serve students, teachers, employees, officers, guests and their family members. A separate building has been allotted for this purpose where some beds with saline and oxygen facilities are available. Further, the University possesses an Ambulance with basic facilities in case of emergency to transfer patients to nearby hospitals.

Bank and Post Offices :

The University caters adequately to the requirements of the students, scholars and faculty with in-campus SBI branch and Post office during university hours. There is also ATM facility in the university campus.

Games & Sports:

The Sports Board of Tripura University came into existence in 2007. Every year various games & sports are conducted by Tripura University Sports Board. Annual Sports Day is organized in which various outdoor sports like football, volleyball, Kabaddi and cricket etc and Indoor game competitions such as Table Tennis, Carom and chess etc are held. Every year the sports board organizes Inter College Tournaments in various categories as football, cricket, volleyball, Judo, Table Tennis and athletics among the different affiliated colleges under Tripura University and participates in East Zone/ All India Inter University competitions with university contingent.

Placement Cell:

The Tripura University Placement Cell was established on 27.10.2005. The Cell plays a vital role and is gradually becoming a key cell of the University. The competition for employment is increasing every day and the task of placement is becoming a challenging one. The Placement Cell ensures and takes care to provide the best arrangements and hospitality for the visiting company officials and facilitates campus recruitment drives. It is relevant to mention here that the alumni of Tripura University occupy top positions in business, industry, R&D and academics in India and abroad and serve as the brand ambassadors of the alma mater.

The Placement Cell performs the following activities round the year :

1. Organizing various development activities that help in personality grooming of the students and provides them platforms to express themselves and enhance their soft skills.
2. Arranging winter/summer training for students.
3. Offering coaching classes for entry into services (for TPSC, Banks, Railway and other competitive examinations) for SC/ST/PH/OBC (Non-Creamy Layer) and minority students in collaboration with Equal Opportunity Cell, TU.
4. Inviting various organizations for campus recruitment.
5. Organizing different job oriented training programs by the reputed organizations.

Scholarships and Financial Assistance:

Various scholarships and financial assistances are provided to the students. It is based on the provision under rules and regulation of the particular scheme. The different scholarships are as follows :

- Merit-cum-means Scholarship
- Post Matric Scholarship to Lower Income Group, SC, ST, Girl Student, OBC

Canteen: The canteen offers various food items at a moderate rate, ranging from heavy lunch to light snacks and beverages. Presently the canteen has been shifted to the 1st floor of the newly constructed parking building situated behind the Administrative Building. The canteen is fully air conditioned having a seating capacity of around 100 students at a time. The University canteen is open from 10 AM to 5 pm on all days except University holidays. There are also canteens in Academic Building XI and in the main Administrative Building.

NET Coaching Centre: With its launch in 2006, this Centre targeted to increase social capital in higher education from among the disadvantaged groups such as SC, ST, OBC (Non-Creamy) and the Minority. In Tripura the percentage of NET qualified candidates was very poor from these groups. Having had counselling/coaching from this Centre a considerable number of candidates have been successful in clearing NET in various subjects and many of them are now teaching in different colleges and universities. The Centre has implemented UGC prescribed syllabus on various subjects from both science and humanities. As per the UGC notifications courses were revised from time to time. In every session we offer over 3000+ Practice Questions with Solutions by Highly Experienced and NET Qualified Faculties. Result oriented study material is also provided covering PAPER I, II & III respectively.

NSS Unit: NSS assists society by generating awareness and extending service. NSS Volunteers are stimulated to make changes through extension that result in more efficient production and marketing, conservation of natural resources, improved livelihood security, health and more satisfying family and community life. Extension work is at the lowest in hierarchy, but extremely broad based in usage. It is also extremely location specific and usually susceptible to outside criticism. Extension work is to help people understand themselves.

Equal Opportunity Cell (EOC): The Cell provides support through various coaching schemes to enhance employability, language skills, social capability skills and various other skills to empower students from the disadvantaged groups. Further, the Cell also takes ample interest in effective implementation of policy and programs for the disadvantaged groups. The Equal Opportunity Cell has introduced many programs such as English Language Proficiency Class, Coaching Classes for Entry into Services, free Computer Course and Soft Skills Course.
