

## **Demonstration session on “Handmade Paper making”**

**Jointly organized by**

**DTEGRC, TU & Microbial Technology Group, Department of Microbiology, TU**

**Date: 28<sup>th</sup> February, 2025 Time: 11 AM to 3 PM**

**Venue: DTEGRC, TU, Daycare building, ground floor**

A demonstration session on “Handmade Paper Making” was held on 28<sup>th</sup> February 2025, from 11 AM to 3 PM, at DTEGRC, Tripura University, Daycare Building, ground Floor. The session was jointly organized by DTEGRC, Tripura University, and Microbial Technology Group, Department of Microbiology, Tripura University.

During the session, Prof. Shaon Ray Chaudhuri, Dr. Dharmendra Kumar Dubey, and Mr. Subrata Nandi were present, along with the resource person and participants from various departments.

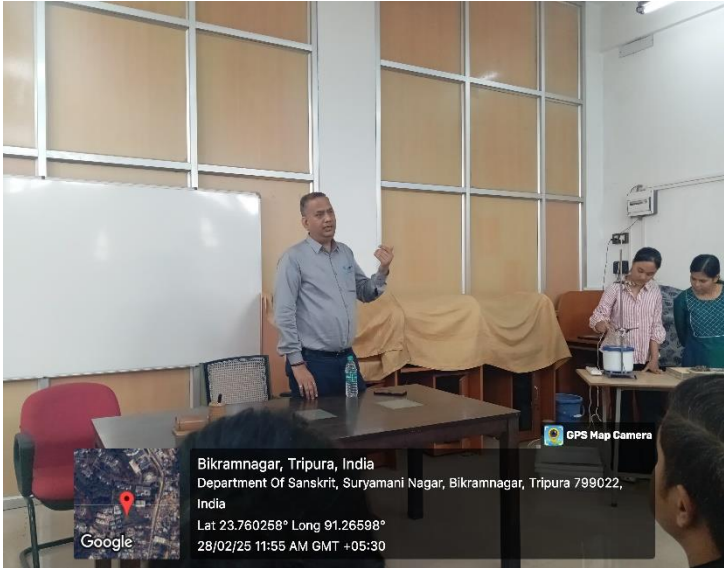

The session started with a presentation in the 4<sup>th</sup> floor classroom of the Department of Microbiology. The presentation was delivered by Espita Palwan, a Research Scholar from the Microbial Technology Lab, Department of Microbiology, and Sampili Debbarma, an M.Sc. 4<sup>th</sup> semester student of Microbiology working under the guidance of Prof. Shaon Ray Chaudhuri.

Espita Palwan explained the benefits of using handmade paper made from agro-waste and provided a brief history of handmade paper. Sampili Debbarma then described the detailed process of handmade paper making.

Following this, the demonstration was carried out in the DTEGRC room, Tripura University, Daycare Building, Ground Floors, with Sampili Debbarma and Espita Palwan as the resource persons. They demonstrated the step-by-step process of making paper from ramie decorticated waste as well as from extracted lemongrass leaf waste.

## **Valedictory session of the Demonstration of “Handmade Paper making”**

**Jointly organized by**

**DTEGRC, TU & Microbial Technology Group, Department of Microbiology,**

**TU & Internal Quality Assurance Cell, TU**

**Date: 28<sup>th</sup> February, 2025 Time: 4 PM**

**Venue: Seminar Hall, Ground floor,  
Controller of Examination Building, TU**

The valedictory session of the “Handmade Paper Making” demonstration was held on 28th February 2025, at 4 PM in the Seminar Hall, ground Floor, Controller of Examination Building, Tripura University. The session was jointly organized by DTEGRC, Tripura University; the Microbial Technology Group, Department of Microbiology, Tripura University; and the Internal Quality Assurance Cell (IQAC), Tripura University.

During the valedictory session, the Hon’ble Vice Chancellor, Prof. Ganga Prasad Prasain, Tripura University; Registrar, Prof. Deepak Sharma, Tripura University; Prof. Shaon Ray Chaudhuri, IQAC Director, Tripura University; Dr. Dharmendra Kumar Dubey; and Mr. Subrata Nandi were present, along with the resource person and participants from various departments.

As part of the session, a short video of the program's demonstration was presented.

The Registrar delivered an appreciation speech, acknowledging the efforts of the organizing team and encouraging participants to explore handmade paper making as a skill development opportunity. He also asked the participants to share their feedback on the session.

The Vice Chancellor encouraged students to actively participate in such demonstration sessions and emphasized the importance of improving the quality of handmade paper. He also suggested offering a course on handmade paper making as an additional skill development program for students.

The session concluded with the distribution of certificates to the resource person and participants.
